CALENDAR FOR TVET INSTITUTIONS

TVET institutions were re-opened on November 1, 2021 as guided by the Ministry of Education and Sports Circular (ADM/137/235/01) and in reference to the Re-opening Calendar.

We thank you and congratulate you upon successfully admitting trainees to your institution and we would like to inform you that the decentralization of admissions was a big success. In line with admission and continuity of training, receive the TVET re-opening Calendar for guidance and planning as we prepare to receive continuing trainees and the freshers in 2022.
